declares that all our products complies with the requirements of following European Directives:

RoHS 2002/95/EC

Restriction of the use of certain hazardous substances in electrical and electronic equipment that restricts the usage of

Lead, Mercury, Cadmium, Hexavalent chromium (Cr^{6+}), Polybrominated biphenyls (PBB), Polybrominated diphenyl ether (PBDE), and Decabromodiphenyl ether (DecaBDE)

Directive 2006/122/EC

Prohibition of Perfluorooctane Sulfonates (PFOS)

Directive 2005/69/EC

Restriction on the marketing and use of Polycyclic aromatic hydrocarbons (PAHs)

REACH Regulation (EC) 1907/2006

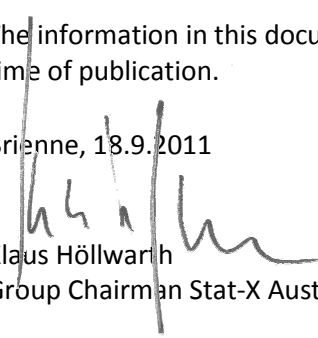

Registration, Evaluation, Authorization and Restriction of Chemicals

Although the above mentioned substances are not permitted to be used or to be incorporated into a final product, we can't exclude the possibility that negligible residues may be present.

This declaration of conformity applies only to Stat-X standard items. Customer designed products do need to be confirmed by a separate document.

The information in this document is the best of our knowledge and belief accurate at the time of publication.
