Registration, Evaluation, Authorization and Restriction of Chemicals

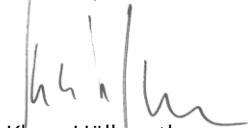

Stat-X Group products do not contain Substances of Very High Concern or if there are SVHC in the product, the content is less than the 0.1% (wt/wt) as defined by REACH Article 57, Annex XIV, Directive 67/548/EEC. With regard to the substance restrictions listed in Annexes XIV and XVII of the REACH regulations, the products of the Stat-X group also comply with the currently applicable regulations concentration limits and restrictions on use.

### Conflict Mineral Sources statement (US Dodd-Frank Act)

The Stat-X group is not a publicly-traded company in the United States and therefore not required to comply with US Dodd-Frank Act's conflict minerals provisions. However, many of our customers may be subject to this law. The Stat-X group has to date no reason to believe that any of our products was intentionally manufactured with or uses "conflict minerals" (as defined by the US Dodd-Frank Act).

This statement applies to Stat-X standard items. Customer designed products do need to be confirmed by a separate document. The information in this document is the best of our knowledge and belief accurate at the time of publication.
